

ANNUAL REPORT

OF THE TOWN OFFICERS

OF THE TOWN OF

DALTON

New Hampshire

FOR THE YEAR ENDING

DECEMBER 31

1975

*University of
New Hampshire
Library*

WARRANT

To the Inhabitants of Dalton, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Dalton on Tuesday, the 2nd day of March next, at 12 o'clock noon to act upon the following subjects. The polls will be open at 12 o'clock and will close at 6 o'clock in the afternoon. The business meeting will open at 7:30 o'clock in the evening.

1. To choose all necessary Officers for the year.
2. To see if the Town will vote to give the Selectmen the right to issue temporary loans in anticipation of taxes.
3. To see if the Town will vote to accept the Budget for 1976 as prepared by the Selectmen and appropriate the amounts therein or to make any changes.
4. To see if the Town agrees to participate in the National Flood Insurance Program by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.
5. To see if the Town will vote to hire a man to oversee the Dump.
6. To see if the Town will vote to appropriate a sum of money not to exceed \$3,500 for the engineered study of the Sewer on Bridge Hill.
7. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 26th day of January 1976.

RALPH C. BLAKSLEE
WM. SCOTT ALDRICH
FREDERICK PILOTTE
Selectmen of Dalton, N.H.

We have borrowed books from the Bookmobile, from Lancaster and some other libraries. We don't have the complete figures as yet so would rather not publish any of them.

We finished buying books and records on our grant from the White Mountains Regional Cooperative and turned in our report at the end of June. The complete report of the project is in the Library and available to anyone who would care to read it.

Two new bookcases have been built and painted to match the others. The children's corner has a piece of carpet and a little table with chairs just the right size. There are some games and toys which have not been taken out very much but have seen a lot of use in the Library.

The Library is open Monday afternoon from 1:30 to 4:30, Wednesday, 1:30 to 4:30 and 6:00 to 8:00 in the evening. It is also open Sunday mornings from before church to 11:00 o'clock.

REPORT OF POLICE DEPARTMENT

The past year has been a busy and productive one from my point of view. The number of complaints and court cases increased over 100 percent. A total of 76 complaints was entered and processed by the courts. There was also a large number of complaints taken care of without court action. Those taken care of out of court included such things as dog complaints, stealing pigs, domestic problems and a variety of others. The following is a list of complaints entered in court and completed or are awaiting Superior Court action: Burglary 14, Speeding 8, Theft by unauthorized taking 9, Criminal Trespass 6, Unregistered Vehicle 5, Defective Equipment 4, Attempted Theft 2, Operating without License 3, OHRV 3, Bad Checks 2, Yellow Line Violation 2, 1 each of the following: Operating after Revocation, Non-inspection, Disorderly Conduct, Failure to Appear, Operating without Headgear, Theft of Services, Criminal Mischief, Displaying altered Inspection Sticker, Misuse of Plates, Concealing identity of Motor Vehicle, Driving while Intoxicated, Failure to procure Fuel User's License, Overweight, Sexual Assault, Deviate Sexual Relations, along with 3 cases for Public Service Company. We also investigated a total of 12 accidents including a fatality. This was the first fatality since October 19, 1963. Let's all do our share to keep it free of more for at least another 12 years.

The months of June and July were probably the most productive with the arrest of 8 persons involved in more than 60 burglaries. We estimated the value of items stolen to be in excess of \$25,000 with a recovery value of approximately 10%. These burglaries occurred in almost every town from North Stratford south to Haverhill. It was the combined efforts of State, County and local police which finally stopped one roving gang of thieves. I spent in excess of 150 hours with Chief Nocky of Littleton, Chief Sanborn of Bethlehem and Deputy Sheriff Ray Holland of Grafton County Sheriff's Department. I do not know how many man hours or miles were expended by the Grafton County Sheriff's Department in Coos County helping us but we sure owe them something even if it is only a letter of thanks. I met with Sheriff Herb Ash several times and not once did he mention the expense involved. He only congratulated us on the progress being made. It is this kind of cooperation that makes the job easier and more enjoyable if that is possible.

The new radar was put into operation in March. It was not utilized as much as I would have liked it to have been but there are only 24 hours each day, some of which is for R&R. We do not intend to hound anybody but we all have a tendency to go a little too fast.

Liquor and drugs continue to increase in usage among our younger people. If you have any questions regarding the drug scene, do not hesitate to ask. If we can't answer the question we will attempt to have someone else available who can.

During the year I contacted several people to serve on the Highway Safety committee. If anyone is interested in serving on this committee, just say the word. Any and all help is welcome. Again, lack of time prevented us from doing very much. This agency funded the new radar by paying for 50% of it. There is no minimum or maximum number required and possibly some worthwhile project can be accomplished.

Dogs continue to be a problem especially in getting them licensed and registered with the town clerk. This is required by law each year the same as getting plates for your car. It does not make much sense to spend \$6-\$7 to collect \$2 but this is being done when we have to make several trips to prod and plead with you to get this taken care of. This WILL NOT be done in 1976. When the warrant is issued by the selectmen in June, a summons for a court appearance will be issued to the owner or keeper of the dog. There is also the possibility the dog may be done away with as provided for in the statutes. The fine is \$15.00 which is automatic and not suspended. You may think we are being hard-headed about this. However, there is also a penalty for neglecting or failing to carry out the warrant as issued which is a fine of \$100 which I do not intend to be faced with.

Despite the many stumbling blocks in our paths, we will continue our efforts in the coming months to make our 47 square miles of land and 55 miles of roads a safer place to live, play and stay. YOU can help by becoming involved and lending a hand when necessary. After all, it is your tax dollars being spent which is the best reason to get involved I can think of outside of the good feeling and satisfaction which comes with the recovery of "misplaced" items or the correcting of a wrong deed.

Our sincere thanks to the surrounding police departments, State Police and County Police for their help during 1975. Hopefully we can continue to work together in harmony for years to come. Thanks also to the Board of Selectmen for its continued cooperation and understanding.

Respectfully submitted,

BRADLEY WHITCOMB

Chief, Dalton Police Department

Lead

FIRE DEPARTMENT

Annual Report for the Year Ending December 31, 1975

I hereby submit my report as your Fire Chief for the year ending December 31, 1975.

A total of seventeen calls was received and responded to. This is six calls less than in 1974. All of the fires in Dalton were minor incidents. The major fires were in Lunenburg and Gilman, Vt., and Littleton, N.H., our Mutual Aid Partners.

There is a future to everything and the department's future is updating our old and tired equipment.

I want to thank the inhabitants of Dalton, Volunteer Firemen, Board of Selectmen and the Ladies Fire Auxiliary for their help and support during the past year.

I will, as your Fire Chief, try to do the job the best way I know how.

Remember—if you have a fire, call the Fire Department first—then fight the fire.

RAYMOND BARTLETT
Chief, D.V.F.D.

Fires During 1975

February 12—Town Garage, small damage

February 19—Chimney Fire, Gail Towle

March 21—House at Lunenburg, Vt., total loss

April 13—Chimney Fire, Glenn Wright, Sr.

April 19—Junk cars by the dump

June 3—Chimney Fire, Merl Walter

June 7—Car, a total loss

July 5—Car, Lunenburg

September 13—Lunenburg Camp, small damage

Dec. 27—House at North Littleton, total loss

Seven dump fires

CONSERVATION COMMISSION REPORT

This year the Conservation Commission discussed various environmental problems and how they apply to the town. The most immediate problem at this point is the ban on burning and what to do with the dump. The most sensible and least expensive solution is to use the existing site as a sanitary landfill. That, however, may limit the use of the dump to certain days during the week.

It is good to see the continued use of the picnic area during the summer months. Any suggestions for creating a similar area in the town would be welcome.

This coming year we hope to make a map showing the natural resources of the town.

DALTON PLANNING BOARD

This year the Planning Board in addition to its regular duties of reviewing sub-division requests, studied the various options the town had with respect to obtaining flood insurance.

Initially it was thought that Dalton would need to adopt zoning to qualify for flood plain insurance but after clarification from the North Country Council and the State we learned zoning was not a prerequisite to the insurance. The Planning Board was helped a great deal by the North Country Council with assistance in sub-division information and with information which helped in the starting of a model town plan.

WHITEFIELD REGIONAL AIRPORT COMMISSION REPORT

1975 has been a most eventful year for your airport. Our search for an airport manager ended in May with the selection of Mr. Roland Ferland of Whitefield. Roland began his aviation career as a helicopter pilot in Vietnam, and has since achieved ratings in private and commercial fixed wing aircraft, as well as an instrument rating.

In addition to the duties of airport manager, Roland also has a fixed base operation. He offers many services to airport users.

Since becoming airport manager, Roland has kept a record of airport use. There have been 1,946 aircraft landings and departures and 6,262 passengers in and out since then.

Flights from Whitefield to Boston and New York via Lebanon began in July and continued through December on a daily basis. The flights are subsidized by a grant from the State of New Hampshire and have not proved financially self-sufficient to date. Reevaluation of the flight is currently underway.

The airport localizer, an instrument which gives pilots a centerline for landing, was commissioned August 7th. It greatly increases the safety factor when landing in inclement weather.

Future priorities for the airport include the establishment of direct passenger flights to Boston in a continuing effort to better serve our communities. Also, we are in the process of investigating ways of making the airport more financially self-sufficient. Construction of a new town hangar is such a way.

The Commission wishes to thank the area communities for their financial and moral support. We also give a special note of thanks to the White Mountains Region Association for helping us secure the commercial flights. We invite all interested citizens to attend our regular meetings scheduled for the last Monday of each month.

Respectfully submitted,

PAUL KIELY, Chairman
Whitefield Regional Airport Comm.

NORTH COUNTRY COUNCIL

Technical information on solid waste, flood insurance, and zoning are the local services provided to the town. The NCC staff attended two (2) evening meetings with the town.

On the regional level, the North Country Council prepared a public transportation plan and is working toward the implementation of its recommendations. The Council became the economic development district for northern New Hampshire on July, 1975, and is currently carrying out this function. Several region-wide meetings on Water Supply and Pollution Control Commission regulations, economic development, seminars for planning board members, and recycling of newsprint were sponsored. A recently completed report entitled "The Regulation of Mobile Homes in the Community," prepared by the Council, provides technical information to planning board members and local officials in the area of mobile homes.

In 1975 the Council increased its base of local support from 19 to 29 towns. The Council coordinates its activities with other agencies in order to avoid any possible duplication of effort.

"Planning News," the Council's bi-monthly newsletter, disseminates useful information on land use, state legislation, court decisions and general activities to interested persons in town. A town resident can be placed on the mailing list by contacting the town's NCC representative or the Council office in Franconia, N.H. (Tel. 823-8108).

In performing its duties, the Council attends approximately 200 night meetings a year.

For the future, continued activity in community planning assistance will be emphasized along with major regional efforts in economic development, land use and housing. Dissemination of planning information will be continued. The Council is working closely with the N.H. Public Utilities Commission in the improvement and upgrading of the North Country's rail lines, especially the Lincoln line and the North Stratford to Beecher Falls line.

The Council sincerely appreciates and thanks the town for its support and participation. This support has enabled the Council to provide a good deal of local and regional services.

Respectfully submitted,

ROBERT BARTLE
CARROLL REXFORD
NCC Representatives

Sent

FOREST FIRE WARDEN'S REPORT

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.
